Notice of Beginning of Review Cycle

Applications will be heard at the **June 25, 2008 Meeting** Health Services and Development Agency Meeting (except as otherwise noted as **Consent Calendar** which will be heard at the **May 28, 2008 Meeting**).

**Denotes applications being placed on the Consent Calendar.*

+Denotes applications under simultaneous review.

This is to provide official notification that the Certificate of Need applications listed below have begun the review cycle effective **April 1, 2008**. The review cycle includes a 60-day period of review by the Tennessee Department of Health or the Department of Mental Health and Developmental Disabilities. Upon written request by interested parties the staff of The Health Services and Development Agency shall conduct a public hearing. *Certain unopposed applications may be placed on a "consent calendar." Such applications are subject to a review less than 60 days including a 30-day period of review by the Department of Health or Department of Mental Health and Developmental Disabilities. Applications intended to be considered on the consent calendar, if any, are denoted by an asterisk.*

Pursuant to T.C.A. Section 68-11-1609(g)(1), any health care institution wishing to oppose a Certificate of Need must file a written objection with the Health Services and Development Agency and serve a copy on the contact person for the applicant no later than fifteen (15) days before the agency meeting at which the application is originally scheduled for consideration.

For more information concerning each application you may contact the Health Services and Development Agency at 615/741-2364.

The renovation of the facility to eliminate four (4) bed wards, convert some semi-private rooms to private rooms, expand rehab space, and update furnishings and finishes throughout the building. The 124 licensed beds will not change as a result of this project.
\$ 8,484,137.00

The initiation of mobile magnetic resonance imaging (MRI) services up to one (1) day per week. The project does not impact the hospital's licensed bed complement or initiate any other new health service.
\$ 243,000.00

The initiation of mobile lithotripsy services on campus. The service will be provided two (2) days per week in an existing operating room. This project does not impact the hospital's licensed bed complement. No other major medical equipment will be involved and no other health services are being proposed.
\$ 768,000.00

The acquisition of magnetic resonance imaging (MRI) equipment and the initiation of MRI services limited to patients of the physician practice. The project will be located at a satellite practice office on the first floor (suite number unassigned) of the Select Specialty Hospital building on the Baptist Hospital campus. No facility license is required. The project does not contain any other type of major medical equipment or initiate or discontinue any other health service.
\$ 1,596,694.00

The acquisition of a linear accelerator for service at UTMHC. There are no inpatient beds involved. No services are being initiated or discontinued.
\$ 4,692,691.00

The acquisition of magnetic resonance imaging (MRI) equipment and the initiation of in-house MRI services. Equipment will be leased from Memphis Orthopedic Group, P.C. (MOG) which owns the equipment and currently provides MRI services at its office. The MOG physicians will become shareholders in MSK Group, P.C. (MSK), along with other area physicians in a consolidation of three (3) practice groups. MSK will be the practice group for the physicians. The MRI service will continue to operate in the same location, but the service provider will be MSK. Upon implementation of the service by MSK, the MOG certificate of need (CN0311-099A) will be surrendered. This project is in effect a transfer of the MRI service authorization from MOG to MSK and is not a new MRI coming into the market. There are no inpatient beds involved in this project. As a private physician practice, there is no health care institution licensure involved.
